Write expressions for each of the two integers in terms of  $w$ . 27. John is  $j$  years old. Mon, 16 Apr 2018 14:55:00 GMT Quadratic Functions and Transformations - At 17 lessons, this is the longest unit of the e-text. Quadratic functions and their algebra are explored through a variety of topics. Students use graphing calculator technology to explore the turning points, intercepts, and geometric transformations of parabolas.
